

How to Create a Parent Account in Canvas

Parent/Guardian go to Vansd.instructure.com and click on “Click here for Account”

Or if you prefer, you can use the Canvas Parent App for iPhone or Android.
After installing, select Create Account.

Complete the parent signup information

The screenshot shows a 'Parent Signup' modal window. It contains the following fields and elements:

- Your Name:** A text input field.
- Your Email:** A text input field.
- Password:** A text input field.
- Re-enter Password:** A text input field.
- Student Pairing Code:** A text input field with a link 'What is a pairing code?' to its right.
- You agree to the [terms of use](#) and acknowledge the [privacy policy](#).
- Buttons:** 'Cancel' and 'Start Participating'.

To get the student pairing code: Open Safari on an iPad,
or on a computer open a browser (such as Chrome or Internet Explorer)
and go to **vansd.instructure.com**
THIS STEP CANNOT BE DONE ON THE CANVAS APP

1 From the global navigation of Canvas web, select *Account*, then choose *Settings*.

2 Select *Pair with Observer* from the sidebar of the settings page.

3 Copy or share the pairing code with an observer to allow them to register.

You're done! The account is now active.
