LEARNING

VSAA is a school for students committed to and passionate about the arts. This provides students with an opportunity to strengthen their artistic skills with a rigorous training in the arts while also immersing in academic studies. Students are required to learn each art form: dance, music, theatre, literary arts, visual arts, and moving image arts as well as science, mathematics, foreign language, etcetera.

How is VSAA different?

**collaboration
connection
community**

VSAA offers:

- Individual advocacy: monitoring progress and guiding goals
- Opportunities to showcase artistic works through performances, galleries, publication
- Exploration of multiple art forms through professional artists on staff as well as guest artists
