

Tired of the Drama?

The Clark County *Parent Project*[®], presented by ESD 112 and the Clark County Truancy Project provides proven strategies for parents raising today's children and teens.

— **NO COST for Clark County Parents** —

We promise you will find answers, learn solutions, receive emotional and practical support, create an action plan, and experience success.

- Stop family arguments.
- Improve school attendance and performance.
- Prevent alcohol and other drug use.
- Learn effective interventions for difficult children.
