Coming to School

Please bring your daily attestation either as a screen shot on your phone or printed each day to make the check-in process go more quickly.

Drop off and pickup will be in the upper parking lot at the corner of 32nd and F St. to avoid congestion in the bus lane. Students riding bikes should make sure to bring a lock. We have skateboard racks in the office for students who need them.

Also, please do not park in or cut through the church parking lot on 32nd street. We want to be good neighbors.

If you ride the bus, please be sure to check the bus information below.

**Student led conferences**

On April 15 & 16, all students in grades 6 through 11 at our school will be conducting a Student-Led Conference with their parent or guardian. This is an important meeting. It will help your student develop their individual plan for the future, including their schedule of classes for next year.

The advocate will meet with the student and parents via Zoom. They will share their portfolio with you and discuss their course plans, show you their best work, review, and go over their career interests and goals for the future.

Please sign up for a conference with your student’s advocate at [https://www.myconferencetime.com/vansdarts/](https://www.myconferencetime.com/vansdarts/)

**Guided enrichment**

Progress reports are now viewable in Skyward. To help our students who are struggling, we are utilizing the teacher office hours on Wednesday, 3/31 for students and parents to meet with teachers and develop a plan for makeup work over Spring Break and beyond. If your student has one or more F’s or is a junior or senior with D’s or F’s, please sign up for conferences on March 31st with the corresponding teachers using this link:

If your student has Mr. Thoreson for math or vocal or Mr. A. Johnson for math, please email these teachers to schedule a time to meet after they return from leave. Both will return by April 12th. You can also correspond by email with their substitutes: Jon.Gabriel@vansd.org for periods 1, 3, and 7 math and math lab. Christopher.frye@vansd.org for all other math periods and Jacob.siberon@vansd.org for vocal.

**Guided Enrichment**

All students are welcome to attend Wednesday office hours for their classes.

However, guided enrichment/mandatory office hours will begin Wednesday, 3/24. Students with D’s or F’s will be assigned the appropriate office hours. Students and parents will be notified this week regarding their student’s assignment.
