THIS WEEK’S SCHEDULE

BELL SCHEDULE 2021-2022

Monday 9/6 No School Labor Day
Tuesday 9/7 B day
Wednesday 9/8 A day
Thursday 9/9 B day
Friday 9/10 A Day

Coming Soon:
Virtual Curriculum Night 9/14
Enrichment begins 9/21

Parking, buses, drop off, pickup, etc.

Thanks so much for your help keeping our students safe during drop off and pickup. As you can see, we are temporarily down to one parking lot due to construction. This will improve significantly when our remodel is complete in December. In the meantime, your help is much appreciated. The safety of your children is our highest priority.

Drop off and pickup should happen in the upper lot as 32nd street is the bus lane. Drivers should enter from 32nd street and exit right onto F street to avoid congestion. Also, please do not drop off, pick up or park in the church parking lot. It is private property and we want to be courteous neighbors.

TRANSPORTATION

Bus routes for all schools are posted on the VPS webpage: Here is a link. Please note: our afternoon buses will likely not leave the building until 4:35 PM or a little later. Please don’t worry if your student gets home a little later than you might expect, particularly the first few weeks.

How can students get extra help at VSAA?

At VSAA, we provide a variety of support to help students be successful in their classes. The following supports are offered to all VSAA students in need of them.

Weekly enrichment

Tuesday through Thursday, beginning 9/21, all full-time teachers are available for this ½ hour support class during the school day.

Guided enrichment

Students with D or F grades are assigned to specific enrichments in identified subject areas. Students and parents will receive an email regarding their assigned enrichments.

Teacher office hours

All full-time teachers have morning or afternoon office hours. See below. In addition, all full-time teachers are available for a ½ hour before or after school by appointment. Teacher office hours should be posted on teacher web pages, Canvas pages, or Teacher Hubs and will also be posted by Curriculum Night.
“Life isn’t about finding yourself. Life is about creating yourself.”
George Bernard Shaw

---

**Care Center Paraeducator**

Throughout the school day, we will have a paraeducator available to work with students one on one and with small groups. Students need teacher permission for this during class time and support will be specific to that period’s class work.

**Math, Science and Humanities Labs**

To provide consistent opportunities for support, we will offer an after-school math/science lab on Tuesdays and Thursdays from 4:15-6:15 PM, beginning on Tuesday, 9/7. Certified math, science, language arts and social studies teachers will be present to support students. Please note, we will not have labs on 9/14 due to curriculum night, 10/21 and 4/14 due to parent conferences.

Students are invited who have significant missing assignments, multiple F grades or credit recovery. All students are welcome to attend on a drop-in basis with no invitation required. Certified teachers will be present to assist students with their work.

If you have questions or concerns regarding your student, please contact their counselor, administrator, advocate and/or individual teachers.
